

Sentinel Safety Group is a professional solutions provider of occupational safety, industrial hygiene, environmental and risk management consulting services. Our experienced staff is well versed in regulatory compliance and risk mitigation techniques to be a Health, Safety & Environmental (HSE) solutions provider for your business.

CORE COMPETENCIES & SERVICE

- HSE Auditing & Assessment
- HSE Compliance & Management Systems
- HSE Training
- EPCRA Tier II and TRI Reporting
- Ergonomics
- Focused Risk Reduction
- Incident Investigation & Root Cause Analysis
- Indoor Air Quality
- Industrial Hygiene Exposure Assessments
- ISO 45001 / ISO 14001 / ISO 50001
- Job Safety Analysis
- Life Threatening Programs: LOTO, Electrical, Confined Space, Fall Prevention/Protection, Machine Guarding, Material Handling (PIV & Crane)
- Pollution Prevention
- Process Improvement
- Process Safety Management
- Safety & Environmental Products
- Statistical Analysis

STAFF QUALIFICATIONS

- Bachelors and Master's Degree in Safety & Chemical Field
- Certified Auditor for ISO 14001
- Certified Auditor ISO 50001
- Certified Ergonomic Assessment Specialist
- Certified Hazardous Materials Manager (CHMM)
- Certified Industrial Hygienist (CIH)
- Certified Lead Auditor ISO 45001
- Certified Professional in Sediment & Erosion Control (CPESC)
- Certified Safety Professional (CSP)
- Competent Fall Protection Inspector
- Forklift Instructor
- Member: ACGIH, AIHA and ASSP, IHMM, EnviroCert Intl, INAEP, IN Chamber of Commerce
- OSHA 10 & 30 HR Construction Authorized Instructor
- OSHA 10 & 30 HR General Industry Authorized Instructor

INDUSTRIES SERVED

- Agriculture
- Automotive
- Construction
- Energy/Municipalities
- Food Services
- General Industry
- Government/Military
- Healthcare
- Hospitality
- Insurance
- Manufacturing
- Mining
- Pharmaceuticals
- Rubber Manufacturing
- Sawmills
- Service Providers
- Textiles

SERVICE CAPABILITIES

COMPLIANCE & RISK MANAGEMENT

- Air Permitting and Reporting (TVOP, FESOP, MSOP, SSOA, Registration, & Exemption)
- Biennial and Annual Hazardous Waste Reporting
- Confined Space Surveys & Programs
- Contractor Safety Programs
- CWA NPDES Permitting, Water Sampling, Reporting
- Disciplinary Action Policies & Programs
- Electrical Safety Programs, Training Arc Flash Analysis
- Equipment Inspections
- Fall Prevention/Protection Programs & Assessment
- Hazardous Waste Management Services
- HSE Compliance Calendars
- HSE Program Management
- ISO 14001:2015/45001
- Focused Hazard Assessments
- Hot Work Permit Systems
- Job Hazard Analysis
- Lockout/Tagout Programs & Procedures
- Risk Assessment
- Risk Management Plans
- Machine Guarding Programs & Assessment
- Material Handling Programs & Assessment
- PPE Certification of Hazard Assessment & Training
- Process Safety Management
- Record Keeping & Retention
- Safety Management Services
- Safety Training Matrix
- Solid Waste (RCRA) Determinations, Permitting & Reporting
- Spill Prevention, Control & Countermeasure (SPCC) Plans
- Staff Augmentation
- Stormwater Permitting (SWPPP) & Sampling (Construction & Industrial)
- Toxic Substances Control Act Management (TSCA)
- Weekly/Monthly Safety Meeting Materials
- Workers Compensation & Return to Work Programs
- Written Program Development & Implementation

INDUSTRIAL HYGIENE

- Chemical Hygiene Programs & Training
- Confined Space Surveys & Programs
- Dermatological Exposure Assessments
- Ergonomic Programs & Assessments
- Essential Job Functions
- Exposure Assessments (Qualitative & Quantitative)
- Heat Stress Studies, Programs & Training
- Indoor Air Quality Studies
- Light Studies
- Microbiological Studies
- Mold Surveys
- Noise Monitoring (Dosimetry & Facility Mapping)
- Respirator Programs & Training
- Respirator Selection, Medical Surveillance & Fit Testing
- Safety Data Sheet Inventory
- Ventilation Studies

AUDITS & INSPECTIONS

- Annual Confined Space Permit Review
- Chemical Inventory (HazCom)
- Emergency Lighting Exit Signs
- Fall Protection Equipment Inspection
- Fire Extinguisher Monthly Inspection
- Ladders (Portable & Fixed)
- LOTO Procedure Annual Review
- Life Threatening Program Audit
- Mock OSHA/EPA Inspection
- OSHA 300 Log Recordkeeping Audit
- Respiratory Protection
- Risk Assessment
- Safety Programs GAP Assessment
- Slings (Synthetic Web & Wire Rope)

TRAINING

- Asbestos Awareness (2 HR)
- Bloodborne Pathogens
- Chemical Hygiene
- Compressed Air
- Compressed Gas Cylinders
- Confined Space Entry
- Corporate Safety & Security and Active Shooter/Assailant Training (*Scenario-Based Classroom or Informational eLearning*)
- CPR/First Aid/AED
- Crane/Hoist Operator (General Industry)
- Crane Signal Person
- DOT 8-Hour Training & Refresher
- DOT Hazardous Material Shipper
- Drug & Alcohol Awareness
- Electrical Safety
- Ergonomics
- Exposure & Medical Records
- Fall Protection & Prevention
- Fire Safety & Fire Extinguishers
- Flammable & Combustible Liquids
- Forklift Operator
- Forklift Train the Trainer
- Hand & Portable Power Tools
- HazCom/GHS
- Hazwoper (40, 24 & 8 HR)
- Hearing Conservation
- Incident/Accident Investigation
- Industrial Hygiene
- ISO 14001 & Internal Auditor
- ISO 45001 & Internal Auditor
- Job Hazard Analysis
- Ladder Safety
- Lead Awareness
- Lockout/Tagout
- Machine Guarding
- Material Handling
- Mold Awareness
- New Hire Orientation
- OSHA 10/30 Hour Courses
- Personal Protective Equipment
- RCRA 8-Hour Training & Refresher
- Respiratory Protection
- Scissor/Articulating Boom Lift
- Slips, Trips & Falls
- Thermal Stress (Heat & Cold)
- Walking/Working Surfaces
- Welding Safety
